

LEWES BPW UPDATES – MARCH 2018

Holiday Closings

Friday, March 30, 2018 – Good Friday

If you should have an electric or water utility emergency, please contact the On Call Service Center at 302-645-6228.

General Information

4:00 p.m. – Wednesday, March 21, 2018 – Regular Board Meeting – City Hall

Electric Department

The Electric Department is still working on changing out the transformers in Cape Shores. Currently, we are waiting on additional parts for completion.

Water / Sewer Department

The Water Department must always have access to the Water Meters. Please refrain from planting flowers, trees or shrubs four feet in front or around hydrants and meter pits. This is a precaution for when there is a water leak emergency to locate the meter in a timely manner or if we do not get an accurate reading.

Front Street Project

Teal Construction has finished repaving the 1812 parking lot. It is accessible for parking for foot traffic to the Post Office and other Front Street businesses. Please walk around the construction in progress. Sewer mains and manholes are being installed. Please anticipate detours around the work site, as it will be in place for the next two months.

Gills Neck Road

The water works have been completed. At its conclusion, the renewal of the existing gravity sewer will continue from near the Dogfish Inn and move towards Schley Avenue. All local traffic will be accommodated; however, detours will be in place and avoidance of the area will assist in the speedy conclusion of the project. Repaving should commence in early March 2018.

Trash and Yard Waste

Trash and Yard Waste are handled by the **City of Lewes** ... please contact them at 302-645-7777.
